

## Spotlight on Our New Accessway

The asphalt will surely make easier snow removal, almost bumpless entry for us two wheel drivers, and no new shock absorbers for us four wheel drivers. Notice how nice the rain and snow melt will be funneled into the drain grate. A special work party on June 9th at 8:30 to 12:30 with lunch served will fill in the sides. Call John Ruffner for lunch reservations. Thanks to all those who helped plan and execute this endeavor.

## ISA OFFICER CHANGES

Sam Petrill has retired from the position of Financial Secretary. Sam served in that position for many years and did a fantastic job of collecting dues, making out membership cards, advising new members, keeping track of work party participation and amount owed, etc. all by hand, no computers allowed.

Smokey Burdin has been elected to replace Sam and will be our new Financial Secretary.

Diane Ruffner is temporarily performing the duties of Recording Secretary for two months.

Will you consider taking over the position of Recording Secretary at least until elections in November? Please contact President Joyce if you are interested or have questions.

Two guys are out hunting deer. The first guy says, "Did you see that?" "No," the second guy says. "Well, a bald eagle just flew overhead," the first guy says. "Oh," says the second guy. A couple of minutes later, The first guy says, "Did you see that?" "See what?" the second guy asks.

"Are you blind? There was a big, black bear walking on that hill, over there." "Oh." A few minutes later the first guy says: "Did you see that?" By now, the second guy is getting aggravated, so he says, "Yes, I did!" And the first guy says: "Then why did you step in it?"

Two hunters got a pilot to fly them into the far north for elk hunting. They were quite successful in their venture and bagged six big bucks. The pilot came back, as arranged, to pick them up. They started loading their gear into the plane, including the six elk. But the pilot objected and he said, "The plane can only take four of your elk; you will have to leave two behind." They argued with him; the year before they had shot six and the pilot had allowed them to put all aboard. The plane was the same model and capacity. Reluctantly, the pilot finally permitted them to put all six aboard. But when they attempted to take off and leave the valley, the little plane could not make it and they crashed into the wilderness. Climbing out of the wreckage, one hunter said to the other, "Do you know where we are?" "I think so," replied the other hunter. I think this is about the same place where we landed last year!"

## Work Party Changes

We realize that some of our members have commitments that would prevent them from performing any work parties. Therefore, the club membership has voted to remove the mandatory work party requirement starting next year. For the present year one mandatory and two work parties continue to be required. Starting next year three work parties will still be required, and \$10 will be charged for each work party that has not been performed, with no mandatory requirements. See our web site at <http://irwinsportsmen.com/>, for a listing of all the ways one can obtain credit for a work party. Remember to sign the meeting or work party sheet located in the club house at the time of the occasion so you will get the proper credit. If you have any questions, please contact an officer of ISA or email us at [ourisanews@gmail.com](mailto:ourisanews@gmail.com).
