December 2024 Edition

The President's Corner

This edition of the newsletter will be sent after the Thanksgiving holiday and before the Christmas holiday. I hope that everyone enjoys the holidays.

This is the last newsletter that Jaime will be sending out. Jaime has done a fantastic job of the newsletters and email blasts. We wish her the best in her future endeavors. If anyone is interested in taking over the newsletters and emails please contact the officers.

We have positions open for council. The council responsibilities are to attend both the officers meetings and the general meetings as well as any special meetings that are needed. They also will be in charge of a few Wednesday work parties. Please contact an officer if interested. We wish the council members that are leaving the best in their endeavors and many thanks for their service.

I'd like to extend a great big thank you to the Garage Door Doctor for the donation of the door for the bump out.

ISA POST 228

JUNIOR RIFLE TEAM

Jr. Rifle Team

The junior team continues to improve in the Pittsburgh and Suburban League with Logan and Parker leading the way. Landon, Gianna and James are just behind them. James is our new shooter this year and continues to improve shooting his personal bests as we get ready for the NE Ohio League and Sectionals (Niles and Vienna, OH). Some changes since we started the league are that Logan is still getting comfortable with the new Anschutz 1761 rifle and a couple weeks ago, Landon moved up to an Anschutz 1903 from a Remington 513T. We are seeing his scores improve.

With the Thanksgiving break in the 3 position league, we had the opportunity for some of our team to practice sitting position in preparation for the 4 position Junior league and NRA Sectional.

Pittsburgh and Suburban League

The Irwin Sportsmen team is competing in the league this year as a combined junior and adult team. As mentioned in the junior team update, Logan and Parker have been leading the juniors. Vickie has taken a firm lead over our team's adults, competing for the top spot with Logan and Parker. The team has three juniors who competed in Smallbore (.22 Rifle) last year and all the adults are competing in Smallbore for the first time ever, with one exception, Vickie, who competed when she was a member of the junior team a few years ago. The team is 1-4 for the season so far, week 6 targets have not yet been scored. The juniors are shooting Mondays and Tuesdays and the adults are shooting either Sundays or Wednesdays. We are a new team this year and will be hosting the banquet in 2026 and looking for anyone who wants to help with planning. Any past smallbore shooters who want to compete should contact Paul.

Last year we had Sarris candy, It's a Wrap Pepperoni Rolls, Triangle Hoagies, and Texas Roadhouse Rolls. Thank you for all the support for 2024 fundraising efforts. .

ISA Post 228 Daisy BB & Air Rifle Instructional Course

The Fall 2024 Daisy BB & Air Rifle Instructional Course began on October 6. The course, run by Dan Nave, help youth prepare for shooting competitively. We currently have 9 students enrolled.

Classes have been going well. The final class of the year will be on December 15th. The next set of classes will start the first Sunday in March.
